

Mini-letter Winchester Grange #14

4/12/09

Lots of robins - the peepers are peeping - the buds are budding - the air warmer - guess it is Spring! And none too soon for me!

Thank you to Dom and Joan for refreshments tonight. Next meeting will be April 28, with a pot luck supper at 6:30. Don't forget the food!

Do send your prayers and cards to Jerry. He is really fighting a battle and every bit helps!

Tried to get Caroline Monroe but there was no answer. We understand she is home and that is good news.

 April 28 will be our annual inspection night. It is now called evaluation night. Work done by the deputy.

Got an extra card? Send it to Past Master Richard Galaise at Laurel Hill, 168 East Lake St., Winsted. It would please him.

Don't forget:
Clean-up - Camp Berger on Apr. 25. Supper at 4:00 - \$5.⁰⁰ right here.

Super Prize Party - May 15. You can bring your donated gifts in any time. They'll be safe.

Be happy - it is Spring!
