

Happy New Year to all. A brand new year is before us – let's hope it will be a good one.

Thank you to Mary Ann for the refreshments tonight. Next meeting, January 26 – refreshments are by the MEN. Choose your own *lucky* chairman, boys.

The big annual letter has gone out with the usual plea for dues. Several responses have already been received and we do thank you. Hope it keeps up!

We have heard from Caroline Monroe, who finally is feeling much better as is her sister, Sue Kline. That's good news! Louise Warren's eyes are improving and is home now, we're glad to say. Not out dancing yet but doing well.

I feel as though I'm all talked out after the big letter and that seems impossible, I know, there doesn't seem to be too much to add to this. Did you see the picture on page 1 of the paper on Monday? The Christmas sprite is Alex Casaday.

Who is that? That lovely little girl, Alexandra, is the granddaughter of Pete and Noreen Marchand – Holly's daughter!

School of Instruction for our Pomona will be Friday, January 15, at Litchfield at 7:30. All officers who can are asked to attend and 10 points on the Honor Grange report will be given for each officer attending. Anyone is welcome to attend. If we can possibly get 10 or more officers, we could earn 200 points. Let's try!

Guess I might as well stop. Don't forget to let the Chaplain know if someone is ill. A little reminder – a card or a note – does help when you aren't "up to par" -
