

Mini-letter Winchester Grange #74

Feb 24 '09

Think Spring!

If you like winter you must be very happy this year! Probably no worse than any other but it sure seems it to me - just can't breathe in the cold. And that is sort of important!

' Guess it is time to remind some members that their dues are now in arrears. Not too many left to pay. Hopefully we don't lose any more!

Thanks to Craig and Sandy for refreshments tonight.

Next meeting - March 10 -
Linda Senkus - refreshments
Hope for no wind!

I am really sorry not to be at the meetings - and I certainly appreciate Victor's help. I trust you do too. Believe me, I am thinking Spring!

Glad to report that Ben and Sara are doing well - their steps are almost "normal" Been bad for both.

Got a card? Send one to Amy Whitcomb - Box 4 - Cornwall - She's coming home!

Have you asked someone to join the Grange?

Degrees - Apr. 14 and 28.

Remember "In essentials unity"

Think Spring!
