

THINK WE HAVE HAD enough rain for a while? Look at the angry brook along the Newfield Road! Probably by August we will be wishing for rain, but for now...ENOUGH IS ENOUGH!

Thank you to Mimi Grustas for the refreshment detail this evening. Sort of a strange looking down=stairs...everything was taken out as far as possible after the dinner when we had the strong backs here to help out!

Carpeting is going down next week - Monday, Tuesday and Wednesday. Hope all goes well!

Our sincere sympathy is extended to Jim Gouthier on the death of his mother this past week.

The Corned Beef/Cabbage and/or Chicken dinner is behind us - thank heaven! People do like it - and we had an excellent crowd, with a profit of \$602.00 on the meal, and \$106 on the food sale, which was the best yet. Next dinner will be April 11 - not corned beef and this will be our last regular dinner until September!

We will put up a listing of all the up-coming events, including any meals so those who attend our dinners can make plans to come for some of the other things, as well. It's always interesting to see them writing down the dates as they are leaving the hall!

Next meeting will be April 13, and it will be First and Second Degrees, with refreshments by Joan and Dom Campi. This will not be inspection - that will be on the Third and Fourth degrees.

Several of us went to Whigville on March 10 and helped them put on the first and second degrees. They had a candidate, a new brother who seemed very interested. We also know that Morris took in four new members at the degree work in Riverton. This is encouraging...let's hope it continues.

Our day meeting of Pomona will be tomorrow, 10:30 at Riverton with lunch at noon for \$2.00 and the program in the afternoon. Do hope we have a good crowd - this is always sort of a "laid back" day.

The Junior Grangers met on the 12 of March - a smaller meeting than usual, but they had a good time. Stanley items are being sold with tonight the last night so if anyone is interested, I do have a catalog with me. Next meeting will be April 9 and a workshop is planned for April 24.

Judy and Bob Lowell are going on a cruise in the Caribbean, a gift from the boys for their wedding anniversary. However Judy assured me she would be back in time for the degrees! And Bob is retiring - maybe he will get to come to Grange ..he has been working nights for so long.

Seems to be the time for vacations...Shirley is heading for Texas to see daughter Joanne and family; Fran Cooper is in Florida at sister Lillian's...but they will all be back in time for the various and sundry events! Oh - I almost forgot, Eleanor and Don are heading to Maine for a week - next week...but they'll be back in time also!

As our Chaplain will tell us tonight Sister Thelma Hurlbut is in the Charlotte Hungerford Hospital - may come home later this week - and Brother Win Hurlbut has had a bout with surgery, but is doing well. Our get-well wishes are sent to both of them...Marywill have cards going around tonight, I'm sure.

Getting down near the bottom of the page - which is good, as I have little left to "impart" to you!

Hope your Easter is happy and blessed - remember to turn your clocks back the night before!
