Mini-Letter

Winchester Grange #74

This won't be much, but it is something!
Almost time to say goodbye to April – how fast it has gone.
Do you believe the lilacs are budding in Winsted? What a crazy season!

Many thanks to those who helped this past Saturday – down at camp and here at the supper. They cleared over one hundred dollars and many compliments!

Next thing – **The Super Prize Party** – time to be thinking about that at the end of May...Friday, May 21 to be exact.

I'm quite excited – maybe scared, but tomorrow I am going home, and looking forward to it!

Did you see Mildred Barshaw and Don Fancher at the birthday party for Anna Harding?
What a good picture!

Next meeting refreshments will be Arline Cote. Need some help, Arline?

Send Ben a card, he needs the support of us all. Anybody else sick? If so, please get well soon.

Did I tell you that Bud Whelan's mother is here at Laurel Hill? She is 102 years old!

Our congratulations to Jim Rotundo on being appointed Superintendent of Roads – wonder what he'll use to fill the pot holes – going to take a bushel of something! Both Rotundo boys (Jason and Justin) are in college (our little Junior Grangers!) and Mallory is at Gilbert. The house is no longer for sale – they decided to stay in Winchester Center and we are glad!

Enough chatter for tonight. I miss you all.
