

Mini-letter Worcester Grange

5/26/09

We certainly should not complain about the month of May. It is almost gone - and it has been nice. Have a picnic over the holiday weekend?

Ethan Forchetta and his wife and new baby were visiting. Pretty little girl - 3 weeks old! Ethan has been transferred to New Jersey - closer to the family!

My sister and niece are flying up Thursday for a week. Be good to see them, from South Carolina.

Many thanks to Mimi
Grutas and Barb Draper

for the refreshments. Next meeting will be June 9 and Shirley is in charge of the food!

Strawberry Festival coming right along. Lots of help needed!

We should mention the loving tribute given to Jerry in his memorial service in this hall on the 16th. A large crowd of family and friends gathered to show their love for Jerry. He will be missed by all.
