

Mini-letter Winchester #74

July 28, '09

Another beautiful day!  
Hard to believe - let's  
hope for some more.

My sincere thanks to  
Shirley for taking care  
of the refreshments  
tonight. As I have said  
before "The spirit is  
willing - but the flesh is  
weak." I have to really  
thank Eat for doing  
the secretary's work.  
It isn't his favorite  
past time but Victor  
is unavailable to-  
night, so Grandpa  
agreed.

Louise Warren has had  
surgery on her good  
eye and thinks it is  
improving. Says she  
misses everybody and  
is hoping for the best.

Grange Fair - Aug. 8  
I'm sure Todd  
will discuss this  
tonight - last meet-  
ing before the FAIR

Arlene Hurlbut is  
suffering with a bad  
case of poison ivy -  
Not much fun!

Phil Hurlbut says he  
will continue to mow  
the grange lawn as  
long as he is able. That  
is really a great  
thing and is so ap-  
preciated. Thank you,  
Phil.

Not much news but  
you know I'm missing  
you!
