

Mini -Letter for Winchester #74

July 27, 2010

If I'm not mistaken the last newsletter I wrote said I hoped for better weather ahead! Has it ever been hotter for a more extended period in your memory? Let's hope for better – ahead!

The weather today and yesterday has been delightful! Yesterday Bud and Sue took Marion out for a ride and lunch at Applebee's.

bow-wow

Thank you to the Win Hurlbut's for the “food” tonight. As always – good! Next meeting the refreshment committee is supposed to be Fran and Charlie Cooper, however, Fran is still recovering from her knee surgery and would like to have a rain check until later in the fall. Any volunteers?

Second meeting in August will be the picnic and awards night. We have a lot of members who will become Golden Sheaf members! 1960 was a great year! Just wait until you hear.

Congratulations to:

Pam Wright - 1st Place winner in the muffin contest on the state level!!

Rae Fassio - 2nd Place winner in the afghan contest on the state level!

Victor Salazar (we can claim a little bit of him) for receiving 2 scholarships on Graduation night! One from the Greenwoods Scholarship Foundation and the other from the Community Foundation of Northwest Connecticut. Tomorrow he leaves for Washington, DC for the meeting of the FFA State Presidents.

Sara Bement for graduating to a walker!

woof

Happy to tell you that Bud and Arline's brother, Henry, is now at Valerie Manor, some improved from the stroke.

Happy to see Sandy Phillips walking so much better and feeling so much better. She had a bad time – but it is better!

All of this happened since the last grange meeting so some of you may not have known that Sandy was in a lot of pain and could hardly walk --- however, due to the wonders of medicine...she is almost back to “normal”! Yeah!

That's it for now. Enjoy the summer --- I miss you.

Marion
