

As always, we welcome our new members to Winchester Grange. Joining this Fall are **Dorian Lockett**, Director of Camp Berger, having just completed his first successful camping season as director. This was a great step “in the right” direction with the new camp administration. Also joining us are **Kurt and Ann Schroeder**, who will have to be obligated in the first and second degrees but will be present for the 3rd and 4th. Our sincere welcome to these new members.

Thanks to the members who are doing the degree work this evening. It has been too long since we put on the degrees and it is great to have the opportunity to do them again.

While up here at Laurel Hill I have seen Past Master **Richard Galaise** who had a very bad stroke a couple of years back.

I appreciate the cards and notes coming to me here. It means a lot.

Be sure to start collect items for the **Super Prize Party** on September 25. Bring the items to the hall anytime before that night so that they'll be available on the night the tables are set up. I'm sure more will be said about the party this evening.

Remember the **Holiday Bazaar** on November 7. We will also be holding our Second “annual” Cookie Walk. Let's hope that we get the same great cooperation with baking cookies this year as we had last year.

Explanations are necessary for the refreshments for tonight – but not to worry...you will have food.
