

Winchester Grange #74 – Mini-Letter
October 26, 2010

Happy Halloween !

Got your costume all set for Halloween? The way the leaves are falling the trees will be practically bare by Sunday! Hope for the best!

Thank you to the Mele Family for the refreshments to night. And thanks for the Country Store items. Busy, busy! Next meeting, November 9 – with a potluck supper at 6:30. Be sure to get hold of the sign up sheet tonight.

State Session this past week. You will be getting the report from our delegates I know, but I'm going to tell you a few things first! OK, Kim?

1. Kim was elected Ceres of the State Grange – our congratulations to her!
2. Todd is the General Deputy of the State Grange – the right hand of the State Master. This should be a great help to our new State Master.
3. Sandy Phillips was appointed to a new committee – a Junior committee in place of Junior Deputies.
4. James Mele was appointed to the State Youth Committee.
5. Deputy for Mt. County is our own and Eureka's Victor!
6. Earl Phillips went from Deputy to the Legislative Committee.
7. Terri Fassio will be doing the

Information and Public Relations for the State Grange. It may be long distance but you can be sure it will be done well.

Our sincere sympathy is extended to Sister Mary Ann Berlinski on the death of her husband, Gene, who died this past weekend. The funeral will be on Wednesday. We sorrow with you, Mary Ann – he fought a good fight!

We've spoken about Mary Ann having shingles and is now finally better. While not a grange member, Linda Ellis, who is Ben Thomas' sister, also has a case of shingles. Horrible things and hard to get rid of.

**Reminder – November 6 –
Holiday Bazaar & Cookie
Walk!** Details tonight I'm sure.

November 8 – Pomona meeting at Whigville Grange, 7:30.

The holidays coming up bring busy times for all. Try to help out as much as possible – it will be appreciated!

That is it for tonight.

Marion
