

Winchester Grange #74 – Mini-Letter
November 9, 2010

Do you think the winter is off with a bang? Big question for a while yesterday as to whether or not Pomona would meet last night – but they did and you will get the report tonight.

Thanks to all for the supper this evening. Nice to have an early Thanksgiving banquet. I hear that it is a true potluck – that can be fun, hope it all worked out for the best.

Next meeting, November 23 and Sara has the refreshment detail. May need some help, right Sara? Speaking of Sara, I hear that she is able to “navigate” without the walker now. Keep up the good work and let's hope this is the end of your troubles.

Report on the Holiday Bazaar and Cookie Walk – all good news – many, many thanks to all those who baked and decorated and worked and helped in any way. Great cooperation.

Community Service

Think about what you do and what can be attributed to the Grange Community Service Program. We need to keep track of the time spent in service to others in the name of the grange.

Here are some of the ways we can serve ---

1. Cookies taken to Laurel Hill to be enjoyed by the staff. A nice platter which was most appreciated.
2. Music by Mary & John Sullivan every Tuesday night at Laurel Hill.
3. Count up and keep track of your coupons, given to some one to help.
4. Keep track of time you spend transporting people to the doctor or hospital.
5. Knit or crochet a lap robe for someone.
6. What do you do? What do you give? Write it down. Remember this is not just a one-time-thing. Take credit when credit is due.

More than I thought I'd have to tell you –
Have a great potluck!
