

Not much sunshine today,  
but at least it isn't snow!  
One day without snow is  
one day closer to Spring!

Thanks to Sue and Sara for  
the refreshments tonight.  
Next meeting is November  
24 and Ben Thomas and  
Don Fancher will do the  
"food department"!

Pomona met last evening  
at *Eureka Grange Hall* and  
Winchester won the  
banner! However, it is still  
at *Beacon Grange* – hope  
they remember to get it up  
to Winchester soon. Next  
meeting for Pomona will  
be December 14 at  
*Litchfield Grange*.

A very successful Holiday  
Bazaar was held last

Saturday. Many tired  
people but many satisfied  
workers. The results you  
will hear tonight.  
Many thanks to all those  
who helped so much!

For those who remember  
Ervie and Lillian Goodwin,  
we express our sincere  
sympathy on the death this  
past week of Lillian. Ervie  
died 2 years ago.

Glad to hear Marion  
Hurlbut is out of the  
hospital after a badly  
infected finger. Sue saw  
Phil at Stop & Shop today  
and he said that he is  
getting used to being  
Marion's doctor/nurse.

Happy Thanksgiving to  
all!
