

Winchester Grange #74 – Mini-Letter

December 14, 2010

Last time I'll write 2010 for a mini-letter this year! How fast a year can go. You won't be meeting again until next year! Next meeting will be January 11, 2011 and the refreshments will be by Arline.

Tonight we thank Shirley for the goodies – *and* everyone for the gifts for those in need – *and* the grab bag *and* the Country Store! What a lot to remember. Did you?

Heard this morning that Matthew Kline has been moved out of ICU at the hospital. Still has a way to go, but is breathing better.

Beadie Broggi is here at Laurel Hill – saw her yesterday. Joe Mori is here, also. Send them a card – it does mean so much. Louise Warren is really having bad trouble with her eyes – such a worry. Caroline Monroe is also having eye problems. To all of these we wish a better, *healthier* New Year!

Pomona meeting last night at Litchfield. It snowed before, during and after the meeting but there were 21 “brave souls” attending. It was very picturesque...even if it was a bit slippery.

Did you know Fran Cooper has started her line dancing classes again? That is one determined lady, with a new knee.

Better be an early meeting – your secretary will be flying to California at 3:30 AM tomorrow to be with many of her family for Christmas and New Year's. Have a great time Sue. We'll miss you.

Community Service – so many opportunities to help others at this time of year. Keep track of what you do and how often – in the name of the grange. That's part of being a Granger!

Remember NO MEETING on December 28. Enjoy the holidays!

Bud and I hope your holidays are happy and healthy and that 2011 dawns bright and gay, for all of us. Look forward to a new year. I miss you all.

Marion
